Greetings,

Words cannot express how grateful we are at the Cowichan Valley Ministries for your incredibly generous donation of \$10,000.00.

With these funds we will be able to reach more families and the unhoused who are struggling to afford to feed themselves while enduring the growing costs of living. This will include provision of food and clothing to the unhoused, as well as increasing the nutritional values of our Christmas and Emergency Hampers.

None of this would be possible without the generous support of people like yourselves who give to this ministry. Thank you so much for your generosity!

May God bless you and your loved ones this Christmas and in the coming year.

Sincerely,

Rachel Anderson
